

Message from the Organiser

I know it was a long day but I hope you all had an enjoyable shoot and achieved something like the scores you were after, I have submitted 3 Six Gold End claims and 14 Rose award claims so some people must have.

I would like to express my thanks to all the County members who helped with setting out and clearing the field on Saturday and Sunday, plus those archers on the day who made the distance changes go smoothly. Also due my special thanks, in no particular order are Tiina and Roger Horley, Chris Carroll, Barry Wiseman, all members of Ouse Valley Archers who helped out, Laurie Dunham (Gentleman Patron) and of course the Judges without whom we would not be able to shoot competitively at all.

I am sure that all the archers who qualify for the East Anglian Championships would also join me in thanking John Watts who does such a splendid job of keeping this running each year.

Bedfordshire v Cambridgeshire Team Match.
3rd August 2008.
Redborne Community College, Ampthill.

This year Bedfordshire hosted the match within the County Championships. Both teams were picked from archers that had entered the tournament. With assembly at 9.15am and five minutes to sighters you can guess what happened. Yes, down came the rain and carried on for the next two hours or so. It stopped eventually and was then a nice but blustery day. There was some good shooting from all the archers, with the highest team score of the day from Shaun Rhodes (Bristol 2) of 1166, of the Beds team. The team was made up as follows, Senior Recurve, best five from six. Senior Compound, best three from four. Longbow, all three to count. Junior Recurve, as Cambridge only had three archers we matched their team. Then all scores added together for one trophy
