Comments

What an interesting weekend. Obviously I hope that you all enjoyed yourselves and did not take the team thing too seriously. I was impressed by the costumes - perhaps it was as well that you were among friends.

This was a new venture for us and I think that we have learnt some lessons. We will digest the comments made over the weekend (and any more that you send in) and consider the format for the weekend next year.

Thanks

As always, I thank the judges, the GNAS National Tournaments Committee, the GNAS work party and the staff of the National Sports Centre. I also thank you, the archers for your attendance, and friendship.
